Skills

Experience

Yonsei University

2020. 01 - 2020. 07 (HTML, CSS, JS, React, Gatsby, GraphQL, Netlify, Netlify CMS, PWA)

Self-initiated project to create a website to increase readership of the official newsmagazine of Underwood International College.

Migrated 200+ articles from WordPress to Gatsby, cut yearly costs from \$400/year to \$10/year, and improved Google Lighthouse performance from 30/100 to 90+/100.

Uploaded youtube tutorials to ensure maintenance after project completion. Enabled app-like installability via service workers.
